

# HOW TO GET THERE

## PARKING

There is no visitor parking on campus; two disabled parking spaces are located outside Paterson's Land. There is on-street parking or NCP parking at St John's Hill; a Staff/Visitor Discount applies to the latter. To obtain the discount, park in St John's Hill and then go to the Main Reception of Moray House (small white building on St John's Street) and 'swipe' your parking ticket in the ticket machine located there. This will alter the bar code reading on your ticket and automatically apply the discounted cost when you exit the car park (20% at the time of writing).

The Main Reception is open from 8.30 am to 4.30 pm - Monday to Friday.

After entering Paterson's Land, take lift to first floor, follow round to the left until reaching the SSC
