Instructions:

You are going to be asked some questions about how well you can hear in school. For each question you will be shown a picture. For example:

Here is a picture of a classroom.

Underneath the picture are 5 faces

The sad face means that hearing is always difficult to hear. The happy face means that it is always easy to hear. The face in the middle means that it is sometimes difficult to hear.

Now look at the picture and imagine you are in the classroom.

Think about how well you can hear the words.

If the teacher's words are mostly easy to hear then you should mark the picture with an **X**.

always easy	mostly easy	sometimes difficult	mostly difficult	always difficult

Now answer all the questions:

1		<p>There is a lot of noise outside the classroom.</p> <p>How well can you hear the words the teacher is saying?</p> <table border="1" style="width: 100%; text-align: center;"> <tr> <td>always easy</td> <td>mostly easy</td> <td>sometimes difficult</td> <td>mostly difficult</td> <td>always difficult</td> </tr> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> </table>	always easy	mostly easy	sometimes difficult	mostly difficult	always difficult
